Thank You!

*To our Dear Valued Guests,
We Thank you for your visit to the
Idle Isle Café today. We hope you have
enjoyed your visit and have had a
memorable experience.*

*The Idle Isle Café is a special and unique
place. To the regular guest, it may just
seem like another quaint little diner. We
feel that it is much more than that.*

*The Idle Isle Café has endured since 1921.
We try to maintain an original atmosphere
to allow our guests a step back in time.
Our business model, although maybe a bit
old-fashioned, is part of what makes us
unique. A true, honest to goodness sit
down, full-service, made from scratch type
restaurant is becoming a rare thing to find.
We are not a chain restaurant nor are we
necessarily up on all of the latest fads.
We try to support as many local
businesses and vendors as possible, and
try to balance the growing demands of a
small business, an old building, rising
food costs, and provide a respectable
wage for our valued staff.*

*We truly hope that the food and service
will be a compliment to your experience,
but more than anything, we hope you will
take a moment and think about what we
believe truly makes us unique.*

*The Idle Isle Café is built on generations of
memories. We strive to provide a setting
where guests, young and old, can take
time out of their daily routine to pause and
reflect back on the memories of a former
time, a time that made a difference and an
impact on your life. We are confident that
if you will take a moment of your time to
do this, you will understand what keeps
us going. We are here to be of service,
and to provide a setting to hopefully
provide a small measure of peace as you
reflect on special moments and memories
of your past.*

Thank you again for your visit today!
